Dear Mr. Weisberg:

Please find enclosed my check for \$5.05, which I understand will cover the price and mailing costs of your book "White Wash."

As I mentioned on the telephone this afternoon, I very much enjoyed your appearance on the Alan Burke Show last Saturday evening. I wholeheartedly agreed with your disdain for the treatment you got from the so-called lawyers.

Since I will be moving to Washington to join the Foreign Service in August, I would like to stay in touch with you so that I might have a chance to discuss your book with you after reading it.

Thank you again for an informative and lively evening.

Sincerely,

*Jerry Bremer*
